Mathematics

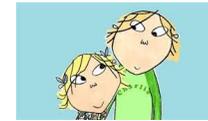

We will be learning...

- To count different objects using number stories. **S**
- To order numbers to 10 and 20. **S**
- Use positional language to describe where things are. **S**
- Use mathematical language such as "tall", "short", "long". **S**

To help them to become more independent please encourage them to do things on their own. For example;

- Hang their coat on the peg,
- Feed themselves,
- Dress themselves,
- Zip up their coat,
- Look after their book bag and bring it to school everyday.

'favourite'
means the ones
we like the best.

To help your child with their learning at home, here are a few tips...

To help your child with their writing please encourage them to write their name at home. They will be bringing a name card home, which can help them.

Our Favourite Stories

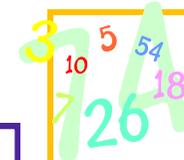

To help them with their reading please spend 5 or 10 minutes looking at the book in their book bag everyday. Here are some tips that can help;

- Ask your child what they can see in the pictures,
- Ask what they think might happen next,
- At the end of the book, ask your child to tell you what happened in the story.
- Ask if they liked or didn't like the book. Ask why do they like/not like the book,
- **Ask your child if they have a favourite story. Ask, why is it their favourite?** I will ask all the children if they have a favourite story in school.

Here are some websites that might be useful;

www.jointhebearhunt.com
www.gruffalo.com
www.bbc.co.uk/cbeebies
www.espresso.co.uk
www.eric-carle.com

To help your child with their maths please encourage them to count and recognise numbers, and notice different numbers that they can see. For example, you can do this when you are shopping, cooking or just walking around the local area .
